Fire Extinguisher Sign Kit Powder ABE

Product Images

Short Description

Signs for fire extinguishers includes one rectangular FIRE EXTINGUISHER sign, and an ABE identifying circular sign.

Description

Fire extinguisher signs are vital for alerting workers to the location of fire extinguishers. These handy kits are supplied with one of our 300 x 225 mm rectangular poly extinguisher signs (SKU F001C), and an accompanying round poly symbol measuring 150mm showing the type of extinguisher.

Available for water, wet chemical, CO2, and powders ABE or AE, these fire extinguisher signs ensure that firefighting equipment can be easily located and identified on site.

This kit suitable for ABE extinguishers only.

Includes:

- 1 x 300mm x 225 mm poly sign, 'Fire Extinguisher' 02-F001C
- 1 x 150mm extinguisher type identification sign F101H

Specifications:

- Suitable for ABE Powder extinguishers
- Features the legend 'POWDER ABE to be used for wood, paper, fabric, liquid and electrical fires'
