

# SPF50+ Lip Balm - Pocket Size

## Product Images

## Short Description

Lip balm offers protection for your lips against the damage caused by prolonged exposure to the sun and wind. The moisturising properties help prevent dry cracked lips, making it ideal for construction contractors, tradies, traffic controllers and sports enthusiasts. The advanced SPF50+ formulation is non-greasy and dry to touch once applied. Handy 10g pocket size, wind up lip balm that is ideal protection against wind burnt lips

on site.

## Description

---

Lip balm is an essential item on any windy, dusty or sunny construction site and not just in summer!

The pocket or bag of any civil or construction contractors should contain lip balm.

Working with your hands onsite means that a pot or tub style lip balm isn't the best option. Using your fingers to apply lip balm after being on the tools is the last thing you want!

Jaybro's SPF +50 is an easy to wind up lip balm. The compact tube is ideal for storing in your pocket.

## Key Features

- SPF 50+ formulation
- Non greasy, dry to touch application
- Recommended for sensitive skin
- Non perfumed / Non gloss
- UVA / UVB Broad spectrum protection

For the best outcome apply every 1-2 hours, also after swimming, exercise, excessive perspiration or towel drying.
