

P6 Telstra Composite Pit Lid

Product Images

Short Description

P6 Telstra composite pit lid Class B AS/NZS3996:2006. Weighs 25kg, 651mm x 499mm (pair)

Description

Designed and manufactured to Class B AS/NZS3996:2006, this Telstra pit lid is lightweight and slip resistant and features Telstra branding. This Telstra P6 pit lid cover is constructed from strong 50 mm thick composite to fit Telstra pits. At 25kg it provides a rugged cover for pits. Measures 651 mm long x 499 mm wide. This pit lid has a textured surface to reduce slip hazards and prevent water pooling. Features a standard pit lid lifting hole compatible with regular [lid lifting tools \(also available from Jaybro\)](#).

Jaybro has a range of Telstra pit lids for sale, each fitting neatly within the preformed rebate at the top of the pit or pit riser. Pit lids sit flush with the top of the pit making it strong and safe. Our pit lids come in electricity, communications, Telstra, Optus and NBN, in all sizes - please enquire for special requests.
