

Back To Back Clip for 60 mm OD Post

Product Images

Short Description

Double sided sign clip - back to back clip to suit 60 mm OD posts. Two required per channel.

Description

Back to back clips are primarily used for fixing NSW style ribbing or bracing on braced signs. Fitted as a 'bridge' between two signs placed back to back on a post, the back to back clips provide extra durability and stability to brace the signs. Back to back clips are used with M8 bolts. Two clips are required per channel whether one or two post mounting. These back to back sign clips fit a 60 mm OD sign post.

Features:

- For bracing signs
- Suits 60 mm OD posts
- Use with M8 bolts
- Two required per channel
