

MSA Vgard Winter Liners Knit Cap

Product Images

Short Description

MSA V-guard knit beanie is designed to offer the wearer increased warmth and comfort during colder conditions. One size fits all. Designed to fit comfortably under a hard hat.

Description

This MSA winter hard hat fleece liner provides superior warmth. Designed to fit under your MSA V Guard hard hat or safety helmet, it offers extra warmth without affecting the hard hat's protection. Keep your head warm during winter and other cold conditions with this hard wearing, well-designed knitted beanie from MSA. One size fits all design to suit the whole team.

Features:

- Delivers extra warmth and protection under safety helmets
- Supreme liners offer three layers of true flame resistance (FR) and superior resistance to arc exposure (ATPV of 8 cal/cm2)
- Select liners can be laundered up to 50 times without affecting flame retardancy
- Many models offer quilted earflaps so earmuffs can be used without compromising hearing protection levels
- Shaped for keeping ears warm
- One size fits all

Specifications:

- The MSA liner range is auto-certified Category 1 according to the annex II of the PPE directive
- All liners have been added to the MSA V-Gard safety helmets certificates after checking of penetration and shocks test EN 397 when used with helmets
- Flame retardancy = Tested according to ISO EN 14116: 2008, Test Reports 6565-15msa/6565-16msa
- Water repellence= Grade 3 according to AATCC 22-2010
- Arc Exposure = Tested according to Arc Thermal Performance Value of min. 8 cal/cm2 testing to ASTM F1959. Report numbers 1108P33/ 1106P17
- Antistatic performance tested according to EN13463-1
