

# Chevron Sign (D4-6) 750 x 900 mm class 1

## Product Images

## Short Description

---

750 x 900 mm Chevron Signs (D4-6), manufactured from aluminium with a class1 reflective finish.

## Description

---

Single direction chevron sign. Displaying a single chevron arrow in black on class 1 reflective yellow background. This D4-6 sign measures 750 x 900 mm. Used to improve road and traffic safety.

Manufactured from aluminium, the road sign is hard wearing and weather resistant.

### What is a chevron signs used for?

Used to alert and emphasise the location of bends and curves in the road. Chevron signs display a large bold arrow that indicates the direction of the change. This signage assists drivers in negotiating curves and bends in unfamiliar roadways.
