
UVEX ULTRASONIC Goggles - Grey Lens

Product Images

Short Description

UVEX Ultrasonic safety goggles with an orange and grey frame and grey lens.

Description

UVEX ULTRASONIC goggles feature a combination of hard and soft components for reliable protection with maximum wearer comfort. Treated with UVEX Supravision excellence coating, they are anti-fog for at least 16 seconds on the inside, and extremely scratch-resistant and chemical-resistant on the outside.

These goggles never press or pinch even when worn continuously. Flexible soft component adapts to the wearer's face and ensures full side protection for the eye area, including for those who wear glasses. The Ultrasonic goggle has excellent ventilation, making sure that the climate around the eyes is pleasant and non-irritating. A sporty design, a wide panoramic field of vision, and quickly and easily replaceable lenses further underline the advantages of these top spectacles.

- Grey and orange frame
- Grey polycarbonate lens treated with hard coat and anti-fog agents
- Certified to EN 166 (personal eye protection) and EN 170 (UV filters)
- Labelling: W 166 349 B CE – 2-1.2 W 1 B 9 KN DIN CE
- Reliable UV 400 protection
- High mechanical strength (B: 120 m/s)
