

UVEX PHEOS CX2 Safety Glasses - Grey Lens, White / Black Frame

Product Images

Short Description

High quality UVEX German made safety spectacles offer excellent medium impact eye protection. White & black frame with grey lens and anti-fog coating for superior wearer comfort.

Description

The UVEX Pheos CX2 offers optimum eye protection in all situations. The soft frame material connected

directly with the lens offers reliable protection against dust and water. Plus, the innovative 'UVEX X-tended Eyeshield' adapts perfectly to the wearer's face – for excellent wearer comfort and 100% protection.
