

Prepare To Stop (T1-18A) Swing Stand Sign and Frame

Product Images

Short Description

Prepare to stop swing sign and swing frame. Reflective class 1 finish on a 900 x 600 mm aluminium sign. Jaybro can customise swing stand signs with your company logo, contact Jaybro for pricing.

Description

Portable Prepare To Stop swing sign and stand. Providing advanced notification to oncoming drivers of changes in road conditions during work zones.

Made from durable aluminium, these swing stand signs are hard wearing and very durable. The class 1 reflective finish and bold text ensure these signs are easily seen.

Sign frames are galvanised and powder coated. Swing Stands are easy to erect and compact to transport. Ideal for short term works. Stands and Signs are available single or double sided and come pre-assembled ready for use.

Swing stands are supplied with 50mm clearance at bottom. Due to popular demand, swing stands with 200mm clearance are available if requested at time of order.

Swing stands are supplied with 50 mm clearance at bottom in Class 1 reflective.
