

Slip-In Swing Stand Frame For 600 x 600mm

Product Images

Short Description

This unit is designed to accommodate 600 x 600mm flat swing stand signs. This frame allows for a quick and easy installation of signage, signs are sold separately.

Description

600 x 600mm swing stand sign frame, enables quick and easy swapping of signs. Easily display the message you need, as you need by slipping in the relevant signage.

Swing stand signs are deployed during road works for traffic management. Used by traffic controllers, civil and construction contractors to control traffic and increase safety.
