

Counterweight Quad Stand for Swing Stand Signs 600 x 600mm

Product Images

Short Description

Counterweight Quad Stand for roadwork signs and swing stand signs. Fits 600 x 600mm road signs.

Description

This metal counterweight style swing sign stand features a folding 'deck chair' style support. Rugged tubular metal legs and frame ensure the stand can withstand the rigors of frequent use. Simple folding hinges mean it can fold flat for easy storage and transport. Fits and standard small 600 x 600mm swing stand signs.

Jaybro also stocks yellow powdercoated swing stands in various sizes, slip in style stands and multi message sign stands.
