

Pedestrian Crossing Sign 600mm

Product Images

Short Description

pedestrian crossing sign 600mm od, Class 1, reflective

Description

Regulatory signs inform road users of traffic laws or regulations which, if disregarded, is an offence. They are normally placed at the point or beginning of the section where the regulation applies. Included in this classification are signs which indicate the end of a legal restriction imposed by a preceding regulatory sign, e.g. the end load limit sign (r6-5). Most regulatory signs are rectangular with the long axis vertical and have black legend with or without red annulus and slash on white background.

- Class 1, reflective
