

DNC Workwear Cargo Pants Double Hoops Taped - White

Product Images

Short Description

The DNC workwear range of White Cargo pants provides a comfortable fit. Ideal for the working environment with one side containing a large flap cargo pocket and the other a phone for your tools and mobile phone. Both legs contain double hoop CSR reflective tape. Choose the required sizes from the drop down below.

Description

These heavyweight cotton drill cargo pants feature two bands of CSR reflective tape for day and night protection. Made from a heavy 311gsm cotton drill, they provide all day comfort and protection. With two hoops of reflective tape, as well as UPF50+ sun protection, they are ideal for both day and night work. A comfort fit design ensures all day wearer comfort.

The DNC workwear range of navy cargo pants provides a comfortable fit. Ideal for the working environment with one side containing a large flap cargo pocket and the other a phone for your tools and mobile phone. Available in both white and navy, these DNC cargo pants have anti-static properties
