

Steel Blue Ladies Argyle High Lace Up Ankle Safety Boot

Product Images

Short Description

Sizes: 5-10 & 7.5-9.5 Colours: Wheat Nubuck

Description

The Argyle work boot by Steel Blue is a 150 mm High Lace Up, steel cap Ankle Boot.

Made from water-resistant leather with a moulded Polyurethane mid-sole. This sole provides the wearer with largest shock absorption to increase comfort.

The Nitrile outsole provides a superior wear capacity. Resistant to most oils and chemicals while also being heat resistant up to 300°C.

These work boots feature:

- A durable scrub cap
- Padded ankle, collar and tongue.
- Anti-static & heat resistant properties
- Water resistant leather design
- Steel Toe Cap
- Nitrile Sole
- Oil and acid resistant
- Resists abrasion, splitting and cracking
