
Duralex Cotton Duck Weave Cargo Pants

Product Images

Short Description

Cotton Cargo Pants with 10 pockets and velcro knee pad access slots. Available in sizes 72R-112R and 87S-132S, and in black, navy or desert sand. Choose your size and colour from the dropdown boxes below.

Description

These Duratex cotton duck weave cargo pants are constructed from 100% cotton canvas for durability and

comfort. Featuring 10 multi functional pockets, they include double flap cargo pockets, mobile phone pockets, tool and ruler pockets with pen division, two front side pockets, and two back pockets.

Air flow eyelets between the legs ensure all day comfort, and these cargo pants include a heavy duty nylon key ring and hammer loop for convenience on site. Duratex patches on the knees and other stress areas ensure the fabric won't wear out easily even in challenging conditions.

A unique feature of these cargo pants is the velcro knee pad access, enabling you to easily slip on your knee pads on the go. Triple stitched seams add extra durability. These work pants are available in a range of sizes and colours.
