Short Description

Disabled parking road sign with left arrow, 450 x 225mm, aluminium

Description

Disabled parking road sign with left arrow, 450 x 225mm, aluminium.

Parking controls and the times that they apply vary so widely that parking signs generally have to be designed individually. Many signs contain a number of separate controls on one sign. A special numbering code comprising a generic number in the R5 Series, together with additional coding has been developed for ordering those signs whose message is variable.
