Product Images

Short Description

Sizes: 3 – 14, 4H – 13H. Colours: Black. composite toe cap offers non-metallic, electrically non-conductive toe protection.

Description

145mm zip & lace up boot with padded collar and tongue. The Steel Blue Torquay EH oasts innovative boot technology with a 200 joule safety composite toe cap and Mako Toe Guard for protection. This men's 150mm derby, ankle lace-up style is a popular choice for Electricians, Refrigeration Mechanics and Power Operators. The stylish upper design features a scalloped collar for ease of movement and an industrial-grade zipper for easy on/off. The Torquay EH has a nitrile outsole heat resistant to 300 degrees, has electrical hazard properties and premium water resistant leather available in black.
