Short Description

Bus zone road sign, 450 x 225mm

Description

BUS ZONE road sign, 450 mm high x 225 mm wide. This bus zone street sign features bold red and white messaging for clear communication to motorists.

Parking controls and the times that they apply vary so widely that parking signs generally have to be designed individually. Many signs contain a number of separate controls on one sign. A special numbering code comprising a generic number in the R5 Series, together with additional coding has been developed for ordering those signs whose message is variable.
