
Small Trash Screen with Bracket

Product Images

Short Description

Small Trash Screen with Bracket for OSD tanks, stormwater drains and more.

Description

Designed to prevent rubbish being washed into drainage lines the trash screen is bolted to the wall of the pit or tank and covers the outlet. Off the shelf trash screens are available in small and large sizes. Custom trash screens are available on request.

Uses:

- Stormwater pits
- OSD Tanks

Features:

- Handle for easy lifting
- Galvanised Steel
- Custom sizes available
