

Chemset Universal Applicator Gun

Product Images

Short Description

Dispenses all of the products in the ChemSet™ Injection Range. Robust all-metal construction caulking gun with a twin drive for powerful dispensing.

Description

The ChemSet Universal Applicator dispenses all of the products in the ChemSet Injection Range such as 101Plus and Reo502. The ChemSet applicator is suitable for coaxial cartridges of epoxy, adhesive or sealants. It has a tough metal construction and twin drive for powerful dispensing. Additionally, the ChemSet Universal Applicator has a twin drive system to dispense material accurately and effortlessly with excellent control.

- Fits all Ramset chemical injection adhesive cartridges
- Universal - one applicator fits all
- Tough, durable metal construction
- Twin drive for extra power
