

Shared Path 600 x 450mm

Product Images

Short Description

Shared path - Pedestrian and cyclist safety sign. Hard wearing Aluminium signage that will endure harsh weather conditions. Measuring 600 x 450 mm with easy to recognise black symbols on a white background.

Description

Shared path signage, this 600 x 450 mm sign displays a pictograph symbol of a person walking and a bicycle. The symbols are black on a class 1 reflective white background.

Shared paths (R8-2) signage alerts pedestrians and bike riders of each other presence. Displayed to reduce the chance of collisions between either party using the path.

The presence of clearly visible signs makes using shared paths a pleasant experience

these basic directions help pedestrians and bicycle riders watch out for each other. Following these simple rules can eliminate the chance of injury.
