Short Description

Blue-Tip Eye Bolts 10 x 65mm 50/pack

Description

Blue-Tip Eye Bolts with zinc coating available in packs of 100 (6mm) or 50 (8, 10, 12mm). These Powers blue tip eyebolts are removable and vibration resistant and offer fast installation with immediate high strength loading. Available in various sizes from 6mm x 50mm up to 12mm x 75mm. Blue tip eye bolts guarantee no expansion forces and can be installed closer to the edge than traditional mechanical anchors.

Features:

- Removable and vibration resistant
- Low installation torque
- Fast installation with Immediate high strength loading
- No expansion forces
- Can be installed closer to the edge than traditional mechanical anchors
