

Paslode Impulse Trimmaster Angled Li-Ion Bradder

Product Images

Short Description

Paslode IM250A-LI 1.6mm (16GA) Lithium-Ion Cordless Impulse Trimmer Nail Gun

Description

The Paslode B20721 Impulse Trimmer-Li 16GA Angled Bradder features lithium ion battery technology providing 50% more shots per charge. With an improved line of sight for precision placement and a brad lock out bar to eliminate blank firing, the Paslode Trimmer enables you to get the job done faster.

Ideal for:

- Architraves
- Beading
- Mouldings
- Skirting Boards
- Quads
- Panelling
- Stair Rails

Features:

- Lithium Ion Battery Technology - 50% more shots per charge allowing you to complete the job faster
- Battery On/Off Position - locks battery in place when disengaged for safer handling and minimising the need to replace batteries
- Improved line of sight for accurate brad placement
- Quick clear nose reduces downtime if fastener jam occurs
- Brad lock out bar eliminates blank tool firing to protect timber and tool
- Lithium-Ion battery drives 9,000 shots per 1 hour charge time
- Low actuation pressure reduces operator fatigue
- Ergonomic design with non-slip hand grip to improve comfort and safety with belt and rafter hook for convenience
- No Mar Tip prevents damage to timber and cladding surfaces

Specifications:

- Weighs 2kg
- Length 274mm
- Height 292mm
- Width 87mm
- Fastener Range 32 - 63mm
- Cycle Rate 2-3 brads/second intermittently
- Magazine Capacity approx 100
- Fuel Cell Life approx 1000
- Collation Angle 20°
- Battery Life 9,000 shots per charge
