

Makita DHR243RTE Cordless SDS Plus Rotary Hammer Combo Kit

Product Images

Short Description

18V Brushless Rotary Hammer Li-Ion.

Description

This Makita hammer drill kit features an 18V Mobile Brushless 24mm SDS Plus Rotary Hammer, plus 2 x 5 amp batteries, rapid charger, and hard carry case. The easy-grip handle is designed to provide a sure and comfortable grip in any application, whilst the brushless DC motor helps to reduce energy loss by 30%. With 3

modes including rotation, hammering, and a combination of both, this versatile Makita hammer drill features vibration reduction technology.

A unique rubber joint construction suppresses the transmission of vibration to battery terminals, minimising battery failures. The tool body is separated into upper and lower housings with vibration absorbing cushion rubbers, suppressing vibration to 13m/s².

Specifications:

- Model Number DHR243RTE
- Voltage: 18V
- Drive Shank: SDS Plus
- Type Impact Rate: 0 - 4700ipm
- Joules: 2.0J
- No Load Speed: 0 - 950rpm
- **Capacity:**
- Concrete: 24mm
- Steel: 13mm
- Wood 27mm
- Vibration: 13.5m/s²
- Length: 328mm
- Weight: 3.3kg

Features:

- Brushless DC motor helps to reduce energy loss by 30%
- One touch sliding SDS Plus chuck
- Variable speed control
- Torque limiter
- Easy to grip handle designed to provide a sure and comfortable grip in any application
- Natural position on mode selector provides 40 different bit angle settings
- 3 mode operation -Rotation + Hammering, Hammering only, Rotation only
- Unique rubber joint construction suppresses the transmission of vibration to battery terminals, minimising battery failures
- The tool body is separated into the upper and lower housings with vibration absorbing cushion rubbers
- Includes Quick Change Drill Chuck
- Slide on battery - firm holding with multi contacts and shock absorbing pack, will not puncture and remains cool even in heavy use
- Longer run time and battery life
- Charger has a built-in CPU - gathers information from the battery's memory chip to determine optimum charging method
- Forced air cooling fan - cools the battery to minimise charging time
- Digital power display identifies the condition of the battery and charging condition
- Voltage: 18V
- Cell capacity: 1.5Ah - 6.0Ah
- **Battery Charge Time:**
- 1.5Ah: 15mins
- 3.0Ah: 22mins
- 4.0Ah: 36mins
- 5.0Ah: 45mins
- 6.0Ah: 55mins

Included:

- 18V Mobile Brushless 24mm SDS Plus Rotary Hammer
- 2x 5.0Ah batteries (BL1850)
- Charger(DC18RC)
- Quick change drill chuck
- Grip assembly
- Depth gauge

TOOL DETAILS

- Includes 2 x 5.0Ah batteries, rapid charger & carry case
- 3-Mode operation: hammer only, rotation only, rotation & hammer
- High performance thanks to 2.0j* of impact energy
- Quick change chuck between masonry & steel bits
- Unique rubber joint suppresses vibration to 13m/s²

Additional Information

CODE	41-DHR243RTE
U.O.M	Each
Brand	Makita
Cord Type	Cordless
Voltage Rating	18V
No Load Speed	2 - 950rpm
Chuck Type	SDS Plus
Fastens Materials Up To	13mm in steel 27mm in wood 24mm in masonry
