

Makita 32mm SDS Plus Rotary Hammer 850W 3 Mode

Product Images

Short Description

Makita 32mm Rotary Hammer has 3 operation mode for heavy duty drilling, hammering or combination jobs. With up to 32m drilling capacity in concrete or wood, and 13mm in steel, it is a powerful worksite tool.

Description

The Makita SDS Plus Rotary Hammer has 3 operation modes for rotation, hammering or a combination of both. With 18m/s² of vibration it provides over 5 joules of impact energy for tough jobs. A variable speed dial with constant speed control enables excellent control. Comes complete with a side grip, depth gauge and carry case.

Specifications:

- Model Number HR3200C

Features:

- 3 mode operation: Rotation only, Rotation and Hammering, Hammering
- 18m/s² of vibration
- 850W motor provides 5.1j of hitting energy
- Variable speed by dial with constant speed control
- Soft start for improved control and minimised vibration
- Continuous rating input 850W
- Impact energy 5.1j
- Impact Rate 1,650 - 3,300ipm
- Max. drilling capacities in concrete 32mm
- Max. drilling capacities in steel 13mm
- Max. drilling capacities in wood 32mm
- Weighs 4.4kg
- No Load Speed 315 - 630rpm
- Noise dB 89dB
- Length 398mm
- 5m Power supply cord
- Vibration per min 18.0m/s²

Additional Information

CODE	41-HR3200C
U.O.M	Each
Brand	Makita
Cord Type	Corded
