
Makita 18V Mobile Reciprocating Saw

Product Images

Short Description

Makita 18V Reciprocating Saw takes Li-Ion battery

Description

The Makita Cordless reciprocating saw has a 32mm stroke with a cutting capacity of 255mm in wood. The newly designed vertical crank mechanism reduces vibration, and XPT technology protects against dust & moisture. This reciprocating saw has a high performance 3000 spm no load speed operation for professional on the job use.

Specifications:

- Model Number DJR186Z

Features:

- 32mm stroke with a cutting capacity of 255mm in wood
- Newly designed vertical crank mechanism reduces vibration
- High performance 3,000spm no load speed
- Tool-less blade change with fixed shoe position
- XPT technology that protects against dust & moisture
- Length of Stroke 32mm
- Max. cutting capacities in pipe 130mm diameter, in wood 255mm
- Length 486mm
- Strokes per minute 0 - 2,800spm
- Voltage 18V
- Weight (with battery) 3.8kg
