

Milwaukee M18™ 5.0AH REDLITHIUM-ION™ Battery

Product Images

Short Description

M18B5 Battery Pack, compatible with Milwaukee M18 Cordless tool range.

Description

The Milwaukee M18™ 5.0AH REDLITHIUM-ION™ Battery features superior pack construction, electronics, and performance to deliver more work per charge and more work over the life of the pack than any battery on the market.

This battery features an advanced design, protecting the pack against harsh environments on site. This outer protection routes water away from the electronics and out of the battery pack. It also extends runtime and life by minimizing heat, and prevents pack failures from vibration or drops. This unique design also allows the battery to operate in extreme cold weather conditions as low as -18 degrees Celsius.

Managed by Milwaukee's exclusive REDLINK™ Intelligence, the battery features overload protection to prevent you from damaging your cordless power tools in heavy-duty situations. The discharge protection also prevents cell damage. It provides full system compatibility with Milwaukee M18 cordless solutions.

The Milwaukee M18 System

The M18 cordless system represents the ultimate synergy of professional grade power, light weight, extreme performance and superior ergonomics. These tools combine patented technologies, innovative motors and advanced electronics powered by Redlithium battery technology for unmatched runtime. Offering more than 100 unique solutions, the M18 family is the fastest growing 18V cordless system on the market.

Compatibility:

- Compatible with Milwaukee M18 cordless range

Features:

- Versatile - powers more than 100 Milwaukee M18 cordless power tools
- REDLINK Intelligence provides optimised performance and overload protection
- Best in class construction
- Offers long lasting performance and durability
- Fuel gauge displays remaining run time
- All weather performance
- Delivers fade free power in extreme jobsite conditions
- 20% more power than a standard 18V lithium battery
- 2 x more life than a standard 18V lithium battery

Specifications:

- 18V
- 5.0 Amp Hour
- Weighs 720g

Included:

- (1) M18™ 5.0AH REDLITHIUM-ION™ Battery (M18B5)

Additional Information

CODE	41-M18B5
U.O.M	Each
Brand	Milwaukee
Range / Model	M18
Cord Type	Cordless
Voltage Rating	18 V
Swatch	no_selection
