

# Milwaukee M18 FUEL™ D-Handle Jigsaw, Skin Only

## Product Images

## Short Description

---

Milwaukee cordless jigsaw complete with an anti-splinter guard, dust collection tube, dust cover, blade, hex wrench and shoe guard. Battery and charger sold separately.

## Description

---

The Milwaukee® M18 FUEL™ D-Handle Jigsaw combines power, blade speed and precision, to deliver quality cuts in a wide variety of materials and applications. Equipped with Milwaukee's POWERSTATE Brushless Motor and REDLINK PLUS Intelligence, the M18 FUEL™ D-Handle Jigsaw provides high blade speed at 3500 strokes per minute, minimising chipping or bucking for clean controlled cuts.

With the M18 REDLITHIUM-ION 5.0Ah battery, the saw is capable of cutting up to 35m of 19mm laminated particle board, delivering all-day productivity with less trips to the charger. The M18 FUEL D-Handle Jigsaw features a variable-speed two-finger trigger, toolless blade-change and bevel adjust, and an integrated LED light with on/off blower to maximise cutline visibility.

### The Milwaukee M18 System

The M18 cordless system represents the ultimate synergy of professional grade power, light weight, extreme performance and superior ergonomics. These tools combine patented technologies, innovative motors and advanced electronics powered by Redlithium battery technology for unmatched runtime. Offering more than

100 unique solutions, the M18 family is the fastest growing 18V cordless system on the market.
