

Milwaukee M18™ 7.5 L Wet / Dry Vacuum

Product Images

Short Description

Milwaukee wet dry vacuum includes filter, hose, a crevice tool, hose clip adapter and a wide nozzle. Battery and charger sold separately.

Description

The Milwaukee® M18™ 7.5L Wet / Dry Vacuum offers powerful suction for both wet and dry applications. Compatible with all Milwaukee® M18™ REDLITHIUM-ION™ battery packs, this wet / dry vacuum offers long

continuous run time and high air power and suction to provide quick and easy removal of dust, debris and water. A HEPA filter delivers excellent fine dust collection for dry applications.

The stackable toolbox design, on-board hose and accessory storage offer excellent portability and convenience, a built-in blower port allows the vacuum to double as a blower, and the 31.8mm inlet allows standard vacuum attachments to be fastened. It includes vacuum, filter, hose, a crevice tool, hose clip adapter and a wide nozzle.

The Milwaukee M18 System

The M18 cordless system represents the ultimate synergy of professional grade power, light weight, extreme performance and superior ergonomics. These tools combine patented technologies, innovative motors and advanced electronics powered by Redlithium battery technology for unmatched runtime. Offering more than 100 unique solutions, the M18 family is the fastest growing 18V cordless system on the market.
