

Milwaukee M18 FUEL® 44mm SDS Max Rotary Hammer Kit with ONE-KEY™

Product Images

Short Description

Milwaukee SDS MAX Rotary Hammer Kit, complete with two batteries, charger, side handle, grease tube, and carry case.

Description

The Milwaukee® M18 FUEL® 44mm SDS Max Rotary Hammer Kit with ONE-KEY™ is designed for the professional user, allowing ultimate power, control, safety and productivity.

The POWERSTATE™ Brushless Motor delivers 11 joules of impact energy that rivals that of the corded competition. REDLINK™ PLUS intelligence tool technology ensures maximum rotary drill performance and protects it from overload, overheating, and over discharge. Power through the toughest materials with the M18™ REDLITHIUM®-ION High Output 12.0Ah Battery, which delivers unmatched run-time in all applications when used with the rotary hammer drill.

Our full feature hammer delivers maximum control and enhanced safety with the electronic clutch, which will stop rotating at 45 degrees when the tool gets bound up. This feature ensures safer work and more control while on the job. The cordless rotary hammer is compatible with ONE KEY™, wirelessly connecting to your smartphone to track and manage the tool's performance and location. ONE-KEY™ integrated tool tracking gives you full visibility over how and where your tools are being used across your network of jobs and users.

The Milwaukee M18 System

The M18 cordless system represents the ultimate synergy of professional grade power, light weight, extreme performance and superior ergonomics. These tools combine patented technologies, innovative motors and advanced electronics powered by Redlithium battery technology for unmatched runtime. Offering more than 100 unique solutions, the M18 family is the fastest growing 18V cordless system on the market.

Compatibility:

- Compatible with Milwaukee M18 cordless range

Features:

- 11J of Impact energy for increased productivity in heavy duty applications
- POWERSTATE™ Brushless Motor for more power, run-time and longer life
- REDLINK™ PLUS Intelligence for unmatched levels of performance, protection and productivity
- Maximum control and enhanced safety with anti-vibration system and electronic clutch to prevent over rotation during lock up
- REDLITHIUM®-ION High Output 12.0Ah battery for unmatched run-time

Specifications:

- Model Number M18FHM-122C
- Voltage 18V
- 380 RPM
- Weighs 8.4kg
- Electronic clutch
- 2,900 BPM
- SDS Max Bit Shank
- Vibration 10 m/s²

Included:

- (1) Carry Case
- (1) Grease Tube
- (1) M18™ & M12™ Rapid Charger (M12-18FC)
- (1) M18FHM-0
- (2) M18™ REDLITHIUM-ION™ High Output 12.0Ah Battery Pack (M18HB12)
- (1) Side Handle

Additional Information

CODE	41-M18FHM-122C
U.O.M	Each
Brand	Milwaukee
Range / Model	M18
Cord Type	Cordless
Voltage Rating	18 V
