

RT-40A Rebar Tying Machine

Product Images

Short Description

RapidTool rebar tier has the ability to tie steel in 0.6 seconds flat. Powered by a Li-ION 18V – 4.0Ah with quick bar release, shorter tie height and slim arm for tight ties.

Description

Are you a concreting contractor looking for ways to improve your productivity or the efficiency of your team? If you are involved in the installation of rebar, reo or steel rod, the RT-40 could provide cost savings by enabling you to rapidly install tie wire.

The installation of rebar can be a back breaking task. Construction contractors often spend hours bent down, moving from one joint to another, tying rebar in place with tie wire.

Extremely time-consuming tasks can be made less labour intensive with the RapidTool RT-40.

Features

- Slim line and convenient design that provides is manoeuvrability even in the tightest of work spaces.
- Lightweight design, weighing just 2.6kg.
- Tie Diameter Range of 12-40mm, providing the ability to tie two 20mm rebars together.
- Delivers 3 wraps of the steel wire per tie for a tight finish.
- Holds up to 95m of tie wire, that can deliver as many as 120 ties.
- Battery charge time of just 90 minutes, with up to 4500 ties per battery cycle.

Specifications

- Brand: RapidTool
- Model: RT-40A
- Dimensions: 297 x 109 x 300 mm
- Net Weight: 2.6kg
- Tie Diameter Range: 12-40 mm
- Wraps Per Tie: 3 Wraps
- Length of Tie Wire Coil: 95m
- Ties Per Tie Wire Coil: Approx 120 Ties
- Battery Capacity: LI-ION 18V – 4.0Ah
- Battery Charge Time: 90 minutes
- Battery Charger Input: 100-240V AC – 50-60Hz – 1.0A
- Battery Charger Output: DC21V 3A
- Ties Per Battery Cycle: Over 4500 Ties
- Accessories: Carry Case, Tool Belt Clip, Batteries, Battery Charger and Tie Wire Coils

Applications

- Concrete Slab Formwork
- Precast Product Formwork
- Concrete Foundation formwork

Additional Information

CODE	41-RT-40A
U.O.M	Each
Type	Cordless
Style	Handheld
Engine Type	Brushless
Suits Substrate	Steel
Power Rating	18v
Includes	Carry case, belt clip, batteries, battery charger & tie wire coils
Package Quantity	1
Brand	RapidTool
Overall Height	300 mm
Cord Type	Cordless
Voltage Rating	18V
