
Milwaukee SDS Plus 4 Cut Drill Bits

Product Images

Short Description

4 Cut SDS-Plus Milwaukee drill bits, individually sold in a wide range of dimensions to suit most masonry drilling applications. Manufactured with a robust and durable design these German-made drill bits deliver maximum performance with a minimal level of operator fatigue. Choose your required size from the drop-down menu below.

Description

Milwaukee SDS Plus Cut 4 Drill Bits

German made solid piece carbide SDS Plus drill bit with centering tip for easy spot drilling.

Symmetrical 4 cutter design deliveries perfectly round holes for peak anchor fitting. The high volume 4 flute geometry ensures the optimum removal of dust and debris for improved performance.

Welded solid carbide tip on Ø 5-10 mm. Allowing for wider flute entrance leading to increased speed. More carbide leads to higher durability of the tip and longer lifetime, with 4 breaker points pulverising more efficiently for faster drilling

Features:

- Symmetrical 4 cutter
- High volume 4 flute geometry
- Optimum dust & debris Removal
- Centring tip for pinpoint accuracy
- Durable breaker and pulverising Design
- Enhanced rebar guards
- Thin flute for maximum debris extraction
- Higher speed and less friction stability

Additional Information

CODE	40-49323-2-WP
U.O.M	Each
Style	SDS Plus 4 Cut
Suits Substrate	Cement, Concrete, Masonry, Rock, Stone
Brand	Milwaukee
Chuck Type	SDS PLUS

Product Options

Dimensions:	14 x 260 mm
	16 x 310 mm
	18 x 250 mm
	20 x 250 mm
	22 x 250 mm
	24 x 250 mm
	25 x 250 mm
