

PORTABOOM All Terrain Wheels Accessory

Product Images

Short Description

Replacement parts for Portaboom - all terrain wheels for rough surfaces.

Description

The Portaboom All Terrain Wheels enhance the mobility of the PORTABOOM® unit over rugged terrain.

- New and improved Manufactured Design & Wheels
- 200mm Semi Pneumatic wheels enable soft cushioning over rough surfaces with puncture proof tyres.
- Easy to manoeuvre over rough surfaces.
- Ideal when using PORTABOOM® on mine sites, unsealed roads and uneven, rocky surfaces on construction sites
- Durable to withstand tough terrain
- Easy to swap out the existing tyres
