
Powers Countersunk Blue Tip Screw Bolt 8mm x 75mm

Product Images

Short Description

Powers BTCSK08075-PWR Countersunk Blue-Tip SCREW-BOLT™ anchors, 8mm x 75mm. **Clearance item - while stocks last!**

Description

Powers BTCSK08075-PWR Countersunk Blue-Tip SCREW-BOLT™ anchors are one-piece units suitable for any trade, including carpentry, formworking, tie down applications, racking installers, construction and more. Can be used in concrete, lightweight concrete, hollow core concrete, block, brick and stone.

Features:

- Countersunk Head style Zinc Yellow finish
- Patented dual lead thread and a chamfered tip
- Fast installation with Immediate high strength loading
- Removable and vibration resistant
- Specially matched to the clearance hole, the need for layout or hole spotting is eliminated
- No expansion forces
- Can be installed closer to the edge than traditional mechanical anchors
- Can be installed at a shallower embedment reducing the chance of striking reinforcing bars or embedded cables

Specifications:

- 35mm embedment depth
- 8mm hole diameter
- 40 mm maximum fixture thickness
- 6mm Int Hex Drive
- 8mm head height
- 20mm head diameter
- Box of 50
