
Pro-Series Davit Base Cap

Product Images

Short Description

Pro-Series Davit Base Cap for use with Pro Davits. This davit base cap prevents build up of water and debris in the internals of davit bases.

Description

PRO-Series permanent davit bases are designed for permanent installations at locations where repeated or frequent use is required. Permanent bases are available in a variety of designs, finishes, and material to meet site specific requirements. This davit base cap fits into permanent davit bases, and prevents water and debris from building up in teh internal fitting of the davit bases.

Features:

- Prevents water and debris from clogging the permanent davit base
- Sandblasted finish
