

BTRENCHSAFE® Rescue / Retrieval Shoring Davit Kit with Aluminium Storage Box

Product Images

Short Description

BTRENCHSAFE is a rescue and retrieval davit ideal for mounting on trench shoring. Kit comes complete with a 1.4m high davit, bracket, shoring base with jaw opening and inertia reel with 24m galvanized rope, all packed in a heavy duty aluminium storage box.

Description

The BTRENCHSAFE® Rescue/Retrieval Davit comes with Type 3 SRL & Shoring Panel Bracket. It is designed

to be mounted on trench shoring (steel and aluminium) panels, and provides users with a safe means of extracting workers out of trenches and ground excavations.

Davit Features:

- Manufactured in lightweight ultra strong aluminium grade T6061 and powdercoated in hi-vis orange for increased visibility on site
- Built in visual overload fall indicator
- Multiple adjustable offset reach to allow greater coverage in larger excavations
- Modular construction with no single components weighing more than 12kgs for ease of movement on site

Inertia Reel (with Recovery Winch mode) Features:

- 24mts effective working length
- Robust aluminium construction
- Minimal moving parts allowing for reduced chance of equipment damage or component failure due to rough handling on site

Shoring Panel Bracket Features:

- Increased surface area of critical holding points that contacts the aluminium shoring panels to prevent puncture and piercing of panels when in use
- Steel construction and powder-coated in hi-vis orange for increased visibility on site
- Adjustable throat opening to accommodate shoring panels with widths of 20mm to 200mm

Kit Contains:

- 1 x 33-30106 - Davit mast 3 piece 0.5-0.7m reach, 1.2-1.4m height
- 1 x 33-60202UI IKAR interface winch bracket to suit HRA-24TA recovery block
- 1 x 33-PRO-3DAVITS/BOX Aluminium storage box
- 1 x 33-30166R Shoring davit base with jaw opening 20-205mm
- 1 x 33-HRA-24TA Inertia reel with rescue recovery feature aluminium housing. Inertia reel comes with 24m galvanised wire rope and triple action karabiner

Certifications:

- All products comply to relevant Australian Standards including AS/NZS5532, AS/NZS1891.4 & relevant Codes of Practice
- Products are also certified by a RPEQ for use within Queensland
