Product Images

Short Description

Heavy duty hand sanitiser wipes. These disinfectant wipes are effective against SARS-COV-2 and Coronaviruses and have a hospital-grade sanitising efficacy compliant with European Standards EN1276, EN14476 and EN13727. 100 wipes per pack in resealable pack.

Description

Ultra Grime/Whistlewipe Antibacterial Wipes are the largest, strongest and most powerful wipes. Supersize and heavy-duty, they're made from low-lint microfibre fabric, and are able to trap dirt and kill bacteria. As a result, they leave every surface safe and grime-free. What's more, the unique formula of these wipes means they are fast acting and effective on even the most challenging clinical environment. These disinfectant wipes are effective against Viruses including SARS-COV-2 and Coronaviruses and have a hospital grade sanitising efficacy compliant with European Standards EN1276, EN14476 and EN13727. 100 wipes per pack in resealable pack.
