Short Description

Fluoro yellow safety helmet wall bracket to hold your hard hat securely in the ute, the site office, warehouse or anywhere you need to easily access your safety helmet. Contains high performance magnets for attaching to metal surfaces plus screws to attach to timber and plaster board surfaces. Holds most common brands of hard hat.

Description

The Cap Grip is an Australian made patented hard hat holder that suits a wide range of brands. Using the hard hat holder is simple - mount the Cap Grip to your chosen storage area using the inbuilt magnets or supplied mounting screws. Then holding the cap with the peak pointing down, place the peak of the cap in to the bottom of the Cap Grip holder. Then simply push the rear of the cap back until it clicks into place. The cap is held securely yet can be removed by pushing down on the locking clip and pulling the cap forward.
