Product Images

Short Description

Corflute multi message sign featuring the text 'On Side Road' 1200 x 300mm. Use this sign in conjunction with 2 x 600mm square signs in a multi-message sign frame.

Description

This QLD Class 1325 MMS Class 1 reflective multi message sign features black text on a yellow background - 'On Side Road'. For use in Queensland only, MMS or multi message signs are designed as a cost effective solution to regulate and control traffic speed where workers may be present. They consist of two 600 x 600 mm signs and one 1200 mm x 300 mm sign in a range of different combinations. This flexible system allows traffic controllers and road workers to customise the message to each particular project.
