Allows project managers to stay close to the work and workers on site, while reducing the requirement for temporary site offices. External Dimensions: 1400 x 845 x 1970, Internal: Top: 1300 x 800 x 1065 Bottom: 1300 x 800 x 610

Description

The Armorgard mobile site office is a secure sitestation, compact and durable for those who need to stay close to the action.

Its robust chamfered construction and powder coating offers maximum protection; a product that is built to last. Packed full of features that enable you to efficiently and safely work outside - including an LED light and power supply. Its security is Armorgard grade, with 3 keyed-alike 5-lever deadlocks for secure storage of PPE, power tools or office materials. SiteStation; take it where you need it most.

- a robust, lockable and mobile site office
- a convenient workstation for on-site project management, routine tasks and storage
- secure, weather-resistant storage for PPE, fixings, power tools and more

Features & specs

- Weather resistant - rubber gaskets around openings to prevent water ingress
- Slanted working shelf with lockable storage area
- Recessed power inlet supply, and two internal power outlet sockets
- Pockets on doors for smaller components
- Full-width shelves in both lower and upper compartments
- Heavy-duty castors fitted as standard for easy mobility
- Fork skids and crane lifting eyes for ease of transportation
