

# Armorgard 6" Castor Kit

## Product Images

## Short Description

---

Armorgard Castors CAS

## Description

---

Almost an essential in today's working environment is to have heavy equipment mobile on construction sites. These robust 6" castors with a weight loading of 135kg per wheel are easy to fit with the quick fit fixing kit, using the pre-drilled holes and castor plates. An easy add-on for many armorgard products with forklift skids.
