Short Description

Fluted plastic sign MMS, LOCAL TRAFFIC ONLY

Description

Designed to provide road and traffic users with clear, easy to understand instructions. Multi-message signs regulate speed limits, advise of lane closures and mark out work zones.

This Temporary road work signage system allows for signs to be combined within a frame to delivery a clear message. Ideal for use on civil construction work sites. These lightweight signs are more conspicuous because of their striking combinations.

Australian Standard requires the use of retro-reflective material on signs for roadworks. With the material

need of Class 1.

This particular Range (TC) are designed for use with Queensland only.

- Signs with retro reflective sheeting
