
Single Sided Ring Bracket for Unbraced Signs with Anti-vandal Bolt

Product Images

Short Description

Single sided ring bracket, for 60mm post, with anti-vandal bolt.

Description

No need to drill holes in the sign post - simply slip this aluminium bracket over the post, insert the bolt through the hole in the sign and thread the bolt into the bracket. Tighten the bolt for quick and easy sign fixing. The TD3 bracket suits 60mm NB galvanised sign posts and is supplied with an anti-vandal bolt and washer.

Also available with standard bolt - see [TD1 sign bracket](#).

- This ring bracket with hex bolt is ideal for use on a 60mm OD post.
- Fast and easy sign installation
- Galvanized for strength and durability
