Product Images

Short Description

T Intersection warning series sign (W2-3), measuring 750 x 750 mm, made from weather resistant, durable aluminium. This sign is designed for Australia standards and features a class 3 reflective background. Jaybro stocks the largest of Australian road.

Description

Australian road and traffic warning series sign for a T junction. Measuring 750 x 750 mm and manufactured from aluminium. This diamond shaped warning sign features a black T symbol on class 1 reflective yellow background.

T junction's are a 3-way intersection, most often where a smaller road connects to a busier, larger road. Australian road and traffic warning signs are displayed to highlight potential hazards, obstacles or conditions that need special attention.
