

# Warning Sign - Traffic Lights 600 x 600mm

## Product Images

## Short Description

Traffic signal warning sign - traffic lights ahead black pictogram on a yellow diamond background. Class 1 reflective metal signage measuring 600 x 600mm.

## Description

---

A durable, metal road sign manufactured with class 1 reflective material. Meets Australian Standards.

Australia road and traffic signage - Traffic Lights ahead. Alert oncoming motorist of temporary changes in traffic conditions. Warning signs tell of conditions that need caution on the part of the driver and may call for a reduction in speed.

Designed in the interest of safety for the driver and of other road users. Diamond shaped yellow signage with a black pictogram of traffic lights.

Traffic signals are often used in conjunction with other signage to clarify the message.
