

Emergency Sign - First Aid

Product Images

Short Description

Green first aid sign with first aid cross, choose from 600 mm x 450 mm, or 300 mm x 225 mm.

Description

This First Aid Sign displays a large pictogram of a white first aid cross with the words First Aid below. A useful device for increase safety onsite. This First Aid sign is made from either 0.6mm steel for a durable and long lasting finish indoors and outdoors; lightweight poly for temporary use; or versatile self-adhesive vinyl. Choose your preference of material and sizes from the drop down lists.

This easy to read and recognise sign features traditional first aid green with white FIRST AID text. It helps to provide direction to employees and the general public regarding emergency first aid facilities.

Jaybro is Australian largest supplier of safety equipment to the civil and construction industry. We stock a wide range of PPE including gloves, glasses, and hard hats, as well as signage including Warning and Danger signs.
